PROGRAM DETAILS

For further information, please contact this training organization rather than the ICF office. The ICF recommends all approved programs equally and cannot recommend one program over another.

Organization Name:	IDC Institut de Coaching						
Program Name:	Formation Professionnelle en Coaching						
Program Type:	ACTP						
Organization Description:	<p>We are a coach training organization dedicated to the training and development of coaching skills, on the Personal and Professional level. We have three main programs: 1/"Formation Professionnelle en Coaching", with certification, ICF ACTP. 2/"Master's in Leadership and Communication", ICF ACSTH. 3/ Formation "Specialisation Entreprises" , for Corporate Coaches.</p> <p>Foundation of our coach training program: our program is designed to give our students a solid body of coaching skills as well as to take them on a self-discovery journey. It is based on the perspective that each person is whole, resourceful and has potential "unknown" capabilities. The role of the coach is to support and empower each client to find their inner power. We believe that, when the coach works on the "real thing" the client grows and the coaching takes its full dimension for the coachee. Learning is through "hands-on-doing", through personal and group integration.</p>						
Program Description:	<p>Our "Formation Professionnelle en Coaching" is conducted in person, mostly by 2 trainers, themselves senior professional coaches. Certification program is conducted by teleconferences, video sessions and one-on-one supervision. We offer 2 types of training: 1/ An 8 months-program conducted in four by 4 days courses (4 modules). Class is limited to 25 participants. 2/ An intensive program conducted in 20 days residential training, designed as "Summer University" training. The class is limited to 35 participants.</p> <p>After successful completion of the 4 modules, the five-months certification program takes place via teleconferences, video sessions, lab.(one-on-one supervision of coaching for 3 days) , a supervision workshop and one day for the final exam. Part of the certification program may be completed as distance learning (teleconferences and videos).</p>
